Dependency Override
Federal Student Aid Programs

Complete this form if you do not meet the federal criteria to be considered independent for financial aid purposes, but can demonstrate compelling reason(s) for excluding parent information on your 2026-2027 Free Application for Federal Student Aid (FAFSA). A Dependency Override Request allows you to request a dependency status change from dependent to independent due to unusual circumstances.

Conditions that MAY warrant a dependency override are listed below. Please mark all that apply to your situation.

- Abandonment:** Your parent(s) retained legal custody of you, but voluntarily left or were purposely absent. Their whereabouts are unknown or you cannot readily reach them. You have not had contact with your parent(s) and they have not provided you with any emotional or financial support for an extended period of time.
- Abuse:** Your health or safety was at risk due to living with your parent(s) in an environment that included physical, sexual, emotional, verbal and/or substance (drug/alcohol) abuse.
- Incarceration:** At least one parent is in prison as a result of their participation in illegal activities and you do not have contact with or receive any support from your other parent.
- Institutionalization:** At least one parent is institutionalized and lacks the mental capacity to complete the FAFSA and you do not have contact with or receive any support from your other parent.
- Death:** Your custodial parent is no longer living and you do not have contact with or receive any support from your other parent.
- Location Unknown:** The location of both parents is unknown and you have no way of contacting them.
- Other extenuating circumstances:** All circumstances that do not meet any of the above criteria

PLEASE NOTE: The purpose of a Dependency Override Request, **IF APPROVED**, is to change a student's status from dependent to independent. It **MUST NOT** be used (1) to make an otherwise ineligible student eligible for federal aid; 2) if your parent(s) are unwilling to provide financial data or support; 3) if you are self-supporting; or, 4) if your parents do not claim you on their income tax returns, or contribute towards your educational expenses.

A. REQUIRED DOCUMENTS

If you wish to request a dependency override, you must submit the following documentation:

1. A letter of explanation, written from your perspective, explaining the extraordinary family circumstances that led to you leaving the parent's household. The letter must include information on your means of support since leaving the parent's household. If you disclose any information regarding current or previous childhood abuse or neglect, state law requires BSU staff to report the information to the Maryland Department of Human Services Child Protective Services (CPS) even if the events occurred years ago.

2. Letters from persons that have firsthand knowledge of the circumstances outlined in your letter of explanation. At least one letter must be from an objective party and written on professional letterhead. An objective party may include guidance counselors, clergy members, teachers, doctors, family counselors, mental health professionals, and/or law enforcement. Also include court records and legal documents related to the circumstances outlined in your letter of explanation.
3. Completed copy of the Independent Verification Worksheet V1 for 2026-2027.
4. Signed copy of your 2024 1040/A/EZ OR Tax Return Transcript from IRS; 2024 W-2s or 2024 non-tax filers statement.
5. An Explanation of Income is required IF your wages earned in 2024 fell below the poverty guidelines of \$15,060 for one adult. This information allows you to outline how you met your needs in 2024.

B. CERTIFICATION AND SIGNATURE

Submission of documents does not guarantee approval of your request. Approval of your request does not guarantee receipt of additional aid. Students approved for a dependency override must renew their dependency appeal each year until the student is automatically considered independent by federal Department of Education (DOE) criteria.

Please submit all information and documentation by mail, fax or in person to the Office of Financial Aid. The Appeals Committee will send written notification of its decision to you within two weeks after receipt of all documentation. Please note that additional information may be requested.

By signing, you are certifying that all of the information reported on this worksheet is complete and correct.
